

JOHN MANNING

John Manning is a partner in our Government Audit Division and has been with the Firm since 1994. John has extensive experience with financial statement and single audits for local governments. John has led engagement teams in the audits of municipalities, school districts, and counties and special districts across the state of Texas. He has also consulted on various agreed –upon procedures engagements, internal control reviews and SOC engagements. John is a member of the Government Finance Officers Association (GFOA) Special Review Committee, has reviewed and prepared numerous comprehensive annual financial reports and is extremely well versed in the requirements of the GFOA Certificate of Achievement for Excellence in Financial Reporting Program (CAFR Program). John has also conducted federal single audits under the OMB Uniform Guidance Requirements as well as state single audits under the State of Texas Uniform Grant Management Standards.
