

Fellowship

Fellowship

Government Finance Officers Association of Texas (GFOAT) has established a foundation to provide an annual Government Finance Fellowship to a graduate student in the area of governmental finance. This fellowship is awarded based on intent of study and future career choice. The foundation was established through donations from various sponsors and intends to grow to a significant level.

The Fellowship is a \$5,000 (\$2,500 per semester) scholarship awarded for a period of one year. Only one Fellowship will be awarded per year.

Criteria

The period of the Fellowship is one-year commencing with the fall semester.

Full-time and part-time graduate students may apply. Students enrolled part-time (less than nine graduate hours per semester) while working full-time for a city or other governmental entity will be considered only after first priority has been given to full-time graduate students.

The awardee will be required to submit periodic progress reports outlining courses taken, grades received, and special assignments completed.

Applicant must be a Texas resident prior to receiving the Fellowship money and must be attending a university or college in Texas.

Application

Access the online application at www.gfoat.org.

Deadline

Applications may be submitted by email or mail and postmarked on or before July 31 to both committee co-chairs:
