

Dear GFOAT Members,

Due to these challenging times of COVID-19, TMRS is keeping you, your employees, and your community in our thoughts and prayers. I'd like to remind you that you have a contact at TMRS – me. I'm available to assist you and your employees with any TMRS questions and issues anytime. TMRS is taking preemptive steps to reduce the potential risks associated with gatherings; therefore, business travel through the end of April has been cancelled. We will start looking at May and June dates depending on changes with the pandemic.

Though our travel has been temporarily suspended, we will still make every effort to bring our commitment of outstanding customer service. If you have any questions concerning TMRS with your budgets, you can contact me directly via email or mobile phone. If you prefer, I am also available via FaceTime, Microsoft Teams, and Zoom.

I am committed to continue to serve our members and cities. I will continue to keep you in my thoughts and prayers, and I look forward to serving you.

Take care,

David Rodriguez  
Senior Regional Manager City Services
