GFOAT Annual Partnership Information

The Government Finance Association of Texas is the leading municipal finance organization in the state, with more than 1,000 members representing Texas-based cities and counties and corporations that provide services to associations. By joining forces with GFOAT, your company gains prestige and respect in the marketplace and increases its visibility and connection within municipal finance. On behalf of the board and membership, I would like to personally thank our loyal partners who have supported us for many years, and I would like to welcome our new partners.

We traditionally hold two conferences yearly and several Budget and Governmental Accounting Academies to better serve our members. We continue to find ways to not only highlight our partners but also provide ways to connect with our members. Our members are incredibly active throughout the state and are an enjoyable group to get to know.

GFOAT Partners will receive an invoice and current W-9 annually. [Online payments](#) are preferred. All payments are due no later than August 31st, 2023. If you must mail a check, please include a copy of your invoice so the funds can be posted properly.

Annual Partner Levels of Recognition:

According to a minimum annual investment of:

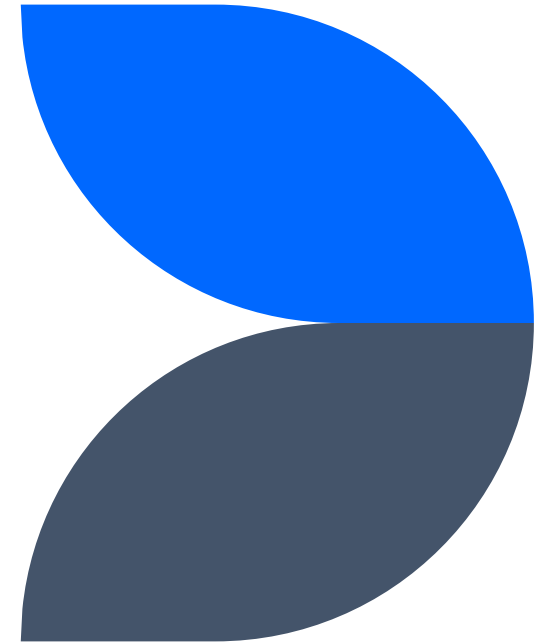

Diamond	\$10,000
Platinum	\$5,500
Gold	\$3,000
Silver	\$1,500

Annual partnerships are designed to give your organization continuous promotional opportunities throughout our fiscal year which begins on July 1 and ends June 30 of each year. Partnerships funds do not cover specific events but provide general association support to minimize organizational costs.

Why should you be a GFOAT Annual Partner?

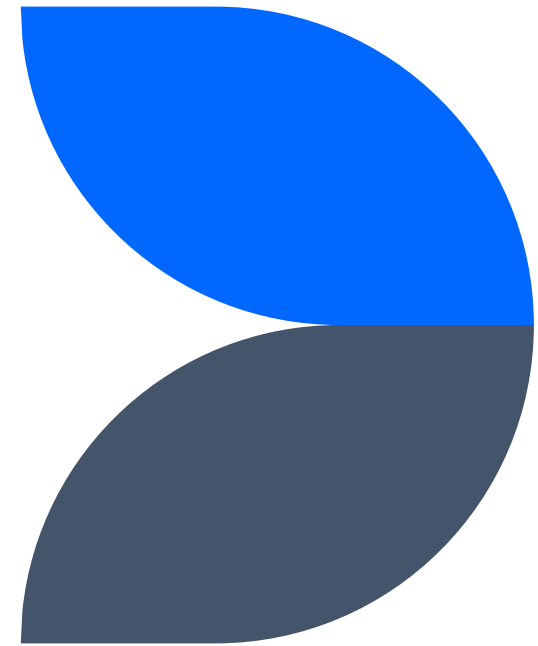

The GFOAT Annual Partnership Program recognizes Associate organizations that make significant contributions to GFOAT. Each Annual Partner level provides enhanced benefits and an opportunity to put your company's name in front of more decision makers in the municipal finance community. You will have the opportunity to network with municipal finance professionals from all over the state while attending our two conferences. In addition, you will have access to the GFOAT Board as well as Executive Director.
