THE 10 KEY

THE SATURDAY EVENING POST

Sundstrand

At the Heart of the Business World

With the rapidly growing preference for SUNDSTRAND machines it is clear to most business men that the SUNDSTRAND machine is the key to the business world. It is the key to the business world because it is the only machine that can do all the work of the business world. It is the key to the business world because it is the only machine that can do all the work of the business world. It is the key to the business world because it is the only machine that can do all the work of the business world.
